Description

Premium longlife OAT antifreeze G12++ is a silicate-containing antifreeze based on Organic Acid Technology which among other things meets the latest requirements of the VAG group according to the new standard VW TL 774G and is used in all VAG models from 2007. This Premium long life antifreeze G12++ should be diluted with the recommended quantity of water before use.

Specifications

MAN 324 Typ Si-OAT
MB-Approval 325.5
VW TL 774G G12++

Typical characteristics

Density at 20°C	1,114	kg/l
Colour	red	
Freezing point (50% diluted)	-40	°C
PH (50% diluted)	8.4	
Boiling point	>170	°C
Copper corrosion test	6.0
